FUTURE SKILLS EDUCATION FOUNDATION

Letter of Recommendation

To Whom It May Concern,

We are delighted to extend our highest recommendation for Sabdin Khalifunnas A. as a testament to their exceptional performance and unwavering dedication during the **Codeavour 7.0 International Showdown** held at **BINUS University, Jakarta on 16-17 May, 2026.**

He/She has demonstrated an unparalleled level of commitment and expertise in facilitating the smooth operation of the event. Their role was critical in managing various aspects, including participant registration, technical setup, competition tasks, and crowd management, ensuring a seamless experience for all attendees. He/She consistently exhibited a proactive approach, identifying potential issues before they arose and implementing effective solutions with agility and precision.

Beyond his/her operational capabilities, the volunteer was instrumental in fostering an atmosphere of enthusiasm and innovation among participants. Their ability to engage with young learners, guiding them through the complexities of **AI, coding, and robotics**, was truly commendable.

His/Her exceptional **leadership qualities** were also on display as he/she effectively coordinated with other volunteers, ensuring a collaborative and supportive environment. His/Her excellent communication skills facilitated smooth interactions between the event organizers, participants, and guests, contributing significantly to the overall **success of Codeavour 7.0 International**.

It is without hesitation that we recommend him/her for any future endeavors they may pursue. He/She has the skills, attitude, and drive that are sure to bring value to any team or project.

Thank you for considering this recommendation.

Sincerely,
Future Skills Education Foundation
